

**Uniden®**

Range Overview

# Transceiver Radios

# Uniden®

Uniden offers a wide range of communication products suited for your communication needs designed for all environments.

Uniden products are designed and engineered for Rugged Australian and New Zealand conditions. They provide the confidence required to ensure your communication needs can endure the harshest weather conditions you may encounter in your journeys.

Used by some of the best Adventurers in the world like Pat Callinan from the 4 x 4 Adventure TV show and Rick OBrien from the Offroad Adventure TV show. Uniden Products are engineered and tested to provide Optimum performance in all environments.

**BUILT RUGGED**  
FOR AUSTRALIAN & NZ CONDITIONS

Pat Callinan is one of the most respected identities in the industry, with 4WD knowledge and outdoor adventure experience second to none. He is broadcasted nationally on TV and has a magazine that covers everything to do with 4WD and Outdoor Adventure. Pat's fleet of vehicles are continually put through their paces in the most rugged terrain that Australia has to offer. There is barely a track that Pat and his team have not driven and explored in Australia. Uniden UHF Radios and Accessories are fitted on all Pat's 4X4 vehicles and are used by his team to keep in touch – no matter how remote they go.

**Pat Callinan – 4 X 4 Adventure**

Rick OBrien is one of Australia's favourite offroad adventurers, featuring in the Offroad Adventure TV show. Rick and the team at Offroad Adventure TV Show use Uniden UHF Handheld and Mobile Radios and Accessories to keep constantly in touch. They are fitted to all the team's vehicles, ensuring they never miss a thing, whether it be on the road, water, or in the middle of the desert. No matter how remote the location, the team can always stay connected.

## key features

### Uninterrupted Communication

Master Scan<sup>®</sup> allows a group of users to seamlessly communicate on not just one channel but a group of channels. If your current channel is interrupted by others outside of the group, all radios in your group will automatically hop to a new clear channel allowing seamless uninterrupted communication to continue.

Choose from 4 different audio settings (Normal, Bass, Midrange and High) to provide a natural Voice Enhancer for super clarity and performance.

**Only Uniden can bring you this technology – Voice Enhancer.**

Allows you to toggle between the Voice Enhancer Feature, Instant Channel or Call Tone Feature depending on your requirements.

Only applicable for UH810 Series, UH820S Series, UH835S Series and UH850S Series
